

# FIGHT THE PHISH

## Get In The Ring

Attackers try to engage with you to send them money, buy gift cards, or reveal your personal information online, but keep in mind that no legitimate business would ask for these via email.

Report phishing attacks using the bMail web interface:

- Open the message
- To the right of 'Reply' arrow, select 'More' (typically denoted with three vertical dots)
- Then 'Report phishing'

If you are unable to log into bMail forward the message to [phishing@berkeley.edu](mailto:phishing@berkeley.edu)
