

8 SMART CYBERSECURITY HABITS

Berkeley Information
Security Office

Learn more at security.berkeley.edu

-  1 Think twice before clicking on links or opening attachments.
-  2 Verify requests for private information.
-  3 Protect your passwords.
-  4 Protect your stuff. Lock it up or take it with you.
-  5 Keep your devices, browsers and apps up to date.
-  6 Back up critical files.
-  7 Delete sensitive information when it's no longer needed.
-  8 If it's suspicious, report it!
