8 SMART CYBERSECURITY HABITS

1. Think twice before clicking on links or opening attachments.
2. Verify requests for private information.
3. Protect your passwords.
4. Protect your stuff. Lock it up or take it with you.
5. Keep your devices, browsers and apps up to date.
7. Delete sensitive information when it’s no longer needed.
8. If it’s suspicious, report it!
