

FY22/23 One IT Goals for the Information Security Office (ISO)

ISO Mission

We protect the campus community and the University by safeguarding data, privacy, and IT Resources while promoting a culture of shared responsibility for information security.

ISO Vision

- We envision a campus community engaged in protecting the information and privacy of individuals and the institution.
- We aim for security and identity solutions that are transformative and frictionless.
- We strive to be leaders who defend the campus mission of teaching, research and public service.

ISO Values

- **Trust:** We work with integrity to provide reliable, timely, and confidential expertise.
- **Balance:** We strive to balance the competing priorities between academic, research, and administrative needs and information security risk.
- **Collaboration:** We form meaningful relationships that encourage engagement and discourse to strengthen security practices.
- **Dedication:** We commit to proactively solving problems and making a positive impact for the public good.

ISO One IT Goals to Support Campus Strategies

Goal 1: Provide all students the essential tools and data they need to be engaged thinkers and global citizens.

Goal 2: Facilitate researchers to adopt fully the best practices of secure computing and data management, making available secure solutions coupled with supporting educational, consulting and outreach.

Goal 3: Create a diverse and inclusive community of IT professionals who are trusted and strategic partners with the campus, alumni, and the public.

Goal 4: Sustain and improve the IT security foundation for campus faculty, staff, students, and alumni.

ISO Priorities:

- MICS/ISO Web Application Security Testing Course
- Cybersecurity Handbook for Students

ISO Priorities:

- IS-3 Implementation Project

ISO Priorities:

- UC Gender Recognition and Lived Name

ISO Priorities:

- IS-3 Implementation Project
- Extend Security Services to post pandemic workforce: Cloud and Data Center
- Information Security Policy Work
- Annual unit self-assessment service development
- Tableau Implementation for unit self-assessment annual reporting
- Gramm Leach Bliley Act (GLBA) Compliance Plan
- Campus Access Management Evaluation
