

LASTPASS PREMIUM:

Why Use LastPass?

So why should I use LastPass?

LastPass makes your internet experience easier and safer by managing your logins, creating strong, unique passwords for every online account and improving your online security.

What are the top benefits?

No need to remember multiple passwords

Stops bad password behavior like reusing passwords

Access passwords anywhere through the mobile app

Simplifies logging in by filling in login fields for you—no typing required

Detects when you are creating or changing a password and can generate a strong, complex password for you.
