FIGHT THE PHISH

Attackers use personal, public information about you to lure you into responding. Be aware of what you post publicly online and keep what's private, private.

Report phishing attacks using the bMail web interface:

Open the message

To the right of 'Reply' arrow, select 'More' (typically denoted with three vertical dots)

Then 'Report phishing'

If you are unable to log into bMail forward the message to **phishing@berkeley.edu**
